Dear THS Tiger Band Parents and Friends,

2010 marks the 5th year for the Travis Tiger Band and this year we have added the Color Guard as part of our band family. Already, Mr. Carter and Mr. Huneycutt have established a respected program that has achieved many milestones during its short existence. The band consistently performs well at marching competitions, presenting programs that are crowd pleasing, musically and visually complex, and challenge band members to work and play as part of a well oiled machine. The band has become a family that welcomes all and works together as a whole to achieve their goals while still enjoying the journey. It takes a strong support group and consistent financial backing to maintain and grow a program like the THS Travis Tiger Band and Color Guard.

As a Tiger Band and Color Guard parent or friend you will feel the thrill band of watching an award winning performance. You see the fun band and guard members have that helps make their high school years special. But most of all, you see how important the band and guard experience is in building confidence, instilling discipline and a sense of responsibility, and preparing students to succeed as they begin their lives after high school. It is important the Tiger Band and Color Guard experience continues on at Travis High School.

This year we are continuing our Director's Circle and establishing the Associate Director's Circle, the Tiger Band Patrons and the Tiger Band Alumni Patrons (especially for Tiger Band and Guard alumni). By making a donation and becoming a member of the Director's Circle or Associate Director's Circle your name will be listed on a perpetual plaque displayed in the band hall. A list honoring this year's members of the Director's Circle, Associate Director's Circle, Tiger Band Patron's and Tiger Band Alumni Patrons will be displayed on the [Travis Tiger Band website](#). Other benefits for each level are listed on the attached membership form.

Donations made as part of this program go directly to the band and are tax deductible. They will be used to help fund purchases of new equipment, pay for clinicians and technicians, provide the other resources necessary to produce the quality programs the band presents, and provide the same exciting band experience to all Travis Tiger Band and Color Guard members year after year.

Please consider becoming a member of the Director's Circle, the Associate Director's Circle, the Tiger Band Patrons or the Tiger Band Alumni Patrons, and help continue the feeling of Dedication, Energy, Excellence, Success, and Honor inspired by the Travis Tiger Band and Color Guard.
